

The easier way to manage school fees

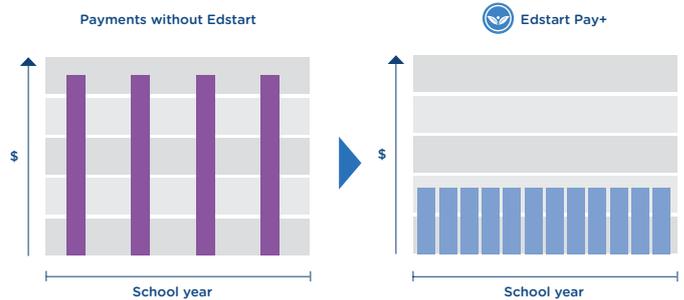

School for Rudolf Steiner Education Ltd

Lorien Novalis School has partnered with Edstart to make it easy for you to manage your fee payments. You can pay weekly, fortnightly or monthly by choosing a plan that fits around your budget.

### About Edstart Pay+

Edstart Pay+ is a payment plan that allows you to pay your Lorien Novalis School fees by instalments. Edstart will pay your invoice to the school and debit your bank account periodically (weekly, fortnightly or monthly) during the school year.

There are **no transaction fees or interest charges** when using it for your Lorien Novalis School fees.

### How it works

Easy online application

Set up your account

Relax while we pay your school fees

Submit a simple application via our dedicated website at [edstart.com.au/lorien](http://edstart.com.au/lorien)

Our team will contact you to finalise the set-up of your account.

Simply forward your school invoice to us each term and we will organise payment to the school.

### Can I apply for Edstart Pay+ during the year?

You can apply to Edstart at any time and your payment plan will cover the remaining fees for the year.

### What if I have overdue school fees?

You can apply for a separate Edstart Extend package to cover your overdue school fees. Edstart Extend is a loan package that can help you get back on track with your school fee payments. Fees and interest charges are applicable when using Edstart Extend.

### About Edstart

Edstart is Australia's leading education payment provider and is making school fees easier to manage for thousands of Australians. Our goal is to help people to fund their education in a sustainable, flexible and low-cost manner that leaves schools, families and students in a better position. All of our products have been designed from the ground up with this ethos in mind.

We are a local and specialised provider founded by a passionate team of Australian education and finance specialists. We hold a credit licence issued by ASIC and maintain full compliance with all regulatory requirements.
