A further dishonour fee of \$25 will be incurred each time, until fees are paid.

Edstart EXTEND

Edstart Extend is a facility run totally independent of the school, which allows families to come to a payment arrangement that extends beyond the children's completed year at the school. This is particularly suitable for families who are facing temporary financial hardship. The school strongly suggests families apply for this option, as under the Education Act the school cannot serve as a financial institution.

Note: All fees and interest associated with this facility are arranged between Edstart and families, the school does not cover these costs. All information is confidential between families and Edstart.

Alternately, you may wish to arrange funding through your own financial lending institution.
